## Convocation Next Monday For Seniors

A convocation for graduating seniors will be held Monday at 10 a.m. in Main hall auditorium, according to Prof. O. J. Bue, chairman of the Commencement committee.

Speakers at the convocation will include: Pres. Carl McFarland; Andrew Cogswell, director of the Public Service division; and a representative of the MSU Alumni Association.

Mr. Cogswell will instruct the seniors in the details of Commencement week. During the convocation the seniors will rehearse Commencement hymn under the direction of Lloyd Oakland.

Senior women will remain after the convocation to rehearse for the V.S. Lantern Parade. Dean Maurice Clow and Dr. Agnes Stoodley will be in charge of the rehearsal.

## Academy Award Movie to Appear At Simpkins

Ronald Colman will appear in his Academy Award winning role in "Double Life" at Simpkins hall, Sunday. The University Film society will show this Universal-International film at 7 and 9.

"Double Life" also stars Signe Hasso, Edmund O'Brien, and Shelley Winters.

By tradition, all good actors live their roles. As Anthony John, matinee idol, Ronald Colman lives his roles more than most. When he settles into a long run, playing Othello, the role takes complete hold of him at times.

John has long been in love with his ex-wife, who plays Desdemona. Soon, he suspects his press agent (O'Brien) of being a backstage Cassio, who is involved with the actress. The company becomes frightened over the increasing sincerity with which John plays the strangling scene with Desdemona.

## Air Society Initiates 16

Sixteen advanced Air Force ROTC students were initiated into the local squadron of the Arnold Air Society at a public ceremony last night in the Gold Room.

Guest of honor was Mrs. Anna Zemke, mother of Hubert "Hub" Zemke for whom the local society was named. Zemke was a World War II fighter pilot and former MSU athlete.

Guest speaker for the occasion was Col. Howard Zellhoefer, air surgeon at the Fairchild Air Force Base in Spokane. This was the first formal initiation of the newly formed squadron which is part of a national organization.

New members are: Donald Seese and Benjamin Wuerthner of Great Falls; Roy P. Hockett and Jack Zygmund of Havre; Fred Bauman and Stephen Popovac of Butte; Peter K. Densmore, Los Angeles, Calif.; Arnold Huppert, Jr., Livingston; Charles Campbell, Big Timber; Earl Sandvig, Denver, Colo.; James Reid, Helena; Francis Gallagher, Glasgow; Robert Smith, Choteau; William Doggett, Townsend; Gene Patch, Anaconda; and Byron Bayers, Twin Bridges.

## Ancient Grave Is Discovered Near Campus

Assistant Professor Carling I. Malouf of the sociology and anthropology department has identified a skeleton unearthed Tuesday as probably that of an Indian woman, about 35 years of age, buried with tribal ritual around 1850.

The skeleton was discovered Tuesday afternoon by three small boys who were digging a cave in an embankment west of Maurice avenue. The skeleton of a small baby was discovered about three feet away from the woman's body.

Hundreds of ornamental beads, some brass jewelry, and fragments of dyed buckskin clothing accompanied the body. A portion of the woman's hand was mummified by a large ring of coiled brass wire wrapped about a center finger.

A piece of abalone shell was also found near the body, indicating that the woman's tribe was in contact with west coast inhabitants. Tribal ceremonial burial was apparently indicated by several small animal bones found near the head of the Indian skeleton, Professor Malouf said.

Contrary to popular belief, the area where the forestry nursery is now located was known primarily as an extensive camping site, rather than as a battleground, Professor Malouf said. Indian tribes were constantly on the move through Hellgate canyon and thus many graves are probably scattered around the Hellgate campsite area.

## LUTHERAN STUDENTS LEAVE FOR REGIONAL RETREAT

About 20 members of the Lutheran Student association will leave today to attend the regional retreat at the Lions' Sunshine camp near Helena. According to President Ralph Olson, Chicago, Ill., student groups from MSC, Northern Montana college, Western Montana college of education, and Eastern Montana college of education will attend also.

He said that students interested should call 6784 before 3 p.m.

## Bearpaw Selection Based On University Activities

A new method of Bearpaw selection is being introduced this year to eliminate fraternity influence and bias that has existed in previous years, said Chief Grizzly Neil McCurdy of Missoula yesterday.

He indicated that new Bearpaws will be chosen this year on the basis of work done in activities for the University and the student body and activities participated in about the campus rather than through fraternity "pull" or partisan favoritism.

To do this, an interviewing board has been established whereby applicants to the sophomore service honorary will be screened and each individual will be evaluated.

"If they want to be Bearpaws, they should be willing to go through the board so that we may find out their intentions," McCurdy explained.

### Interviewed by Appointment

Beginning Tuesday, each appli-

cant will be interviewed by appointment and have the purposes of the organization explained to him. From there, the board will compile a list of possible candidates for recommendation to present Bearpaws.

Those participating on the interviewing board besides McCurdy are Right Paw George Boifeuillet of Missoula, Norman Anderson of Chinook and Jim Cusker of Missoula. Cusker is the chairman of the standards committee which has a list of all freshmen who have been active on the campus throughout the school year. Alternates to Anderson and Cusker are Normand Olson of Missoula and Peder Hoiness of Billings.

### Do Not Have to be Frat Man

"Men do not have to belong to a fraternity in order to become a Bearpaw," McCurdy stated. The main requirements are that he be in good standing with the University with a "C" average, that he have the third quarter of his freshman year finished, and that he be interested in campus affairs.

New Bearpaws will be tapped at the first SOS of fall quarter. Although the organization has a limit of 30 to be selected, McCurdy said that there was no obligation to fill the maximum.

Deadline for handing in Bearpaw applications, he said, is Monday at 4 p.m. in the Student Union business office. Until then, freshmen may still secure applications.

## Set for Today . . .

"Lefty" Roger Marshall will send his curve ball against the visiting Gonzaga Bulldogs today at Campbell field where the Grizzlies tackle the Bulldogs in a double header. Marshall's record from the mound for the Grizzlies this season is two wins and no losses.

## Five Isolated In Infirmary

Dr. M. P. Wright, director of the Health Service, said yesterday that five persons are now isolated in the infirmary with measles.

Students have been treated for the itchy disease in the past two months but he said that it has been common this year throughout the state. A druggist recently reported to him that over 400 cases exist in Great Falls described by the Great Falls Tribune as "epidemic."

Altogether 899 students have been checked in and out of the Health Service during the first twenty days of May. Despite a variety of illnesses during this time he said that colds predominated.

Those now waiting for their release are: Tom Blankenship, Billings; Charles W. Davis, Glendive; Don Landreville, Anaconda; Angelina Oberto, Red Lodge; and Francis C. Power, Plentywood.

## Campus Facilities For Registration Open Next Week

MSU students will have a chance next week to register on campus for the July primary elections.

Mrs. George Weisel, deputy registrar for the precinct which includes the University, will be in the Student Union from 10 to 12 in the morning and from 2 to 4 in the afternoon on Monday, Tuesday, Wednesday, and Thursday.

The deadline for registration is Friday, May 30.

## DDD Will Honor Gals With Rings In Pansy Rites

Delta Delta Delta sorority will honor senior women who have been engaged or married in their senior year with a Pansy Ring Sunday morning.

A six-foot ring, built of pansies, will stand on the Tri-Delt lawn and as each honoree is presented she will step through the ring. Members of Tri-Delta will present a pageant of wedding dresses that were worn in successive periods of time. A breakfast will follow the pansy ring ceremony, which will start at 9 a.m.

The 18 women who are engaged or were married in the past year are: Lauris Collision and Nancy Calvert, Great Falls; Katherine Sim, Bozeman; Grace Mondt, Audrey Olson Thorsrud, and Aletha Bradley, Billings; Margaret Johnson, Homestead; Florence Cook, Dona Skates Sherbeck, Nancy Williams, and Doris Peterson Luckman, Missoula; Mary Lee Powell, Seely Lake; Shirley Petesch, Geyser; Frances Hares, Bridger; Joyce Carstensen, Helena; Mary Hughes, Glendive; Betty Lou Hamilton; and Ruth Hyde Johnson, Havre.

## Rushing Rules Tightened By Interfrat

Interfraternity council tightened the rules on rushing at its meeting last night.

Gil Caruso, council president, said yesterday that a system of definite fines for rule violations would be set down "in black and white" so that fraternities could be punished for infractions.

Caruso recommended that a better policing system be devised so that violations of rushing rules could be discovered more often than in the past. He stressed the necessity of watching for violations on campus, as well as off the campus.

One of the major arguments last night was whether each fraternity should publish a rushing pamphlet or whether all should use one pamphlet published by Interfraternity council.

## Kappas Get WAA Trophy; Awards Given at Banquet

BY REBA TURNQUIST

Kappa Kappa Gamma, who compiled the most points in all sports, was named winner of the intramural trophy at the WAA spring banquet last night. Points in softball and badminton doubles gave Kappa the edge over Alpha Phi, winners of all minor sports.

Outgoing President Norma Bell, presided over the smorgasbord banquet.

Women's M club tapped three women. To be eligible for membership women must have earned participation credits, maintained C average for the three preceding quarters, and have a record of sportsmanship. Annemarie Gatty, Helena; Jane Gaethke, West Salem, Ohio; and Ruth Reiquam, Choteau, received M's.

Norma Bell awarded the team sport trophies and individual sport medals. Alpha Phi made a clean sweep in the three minor sports, winning swimming, skiing, and bowling cups. Jan Howard, Missoula Alpha Phi, won the ping-pong medal. Ruth Reiquam added the Phi's total by taking the dressshoes title.

New hall retained its volleyball trophy, and was the only repeat champion. Alpha Chi Omega won first trophy in several years, taking the basketball tournament.

Kappa Kappa Gamma had the only undefeated major sport team, it took the softball title with eight straight wins. Two Kappas, Betty Burnett and Willie Williams are the top badminton doubles team. Dorcas Means, Missoula, won singles play. Medals will be awarded tennis winners as soon as tournament play is completed.

Following the presentation of awards, Beryl Handford, Kalispell succeeded Norma Bell as WAA president. She will head the new executive board with Reba Turnquist, vice-president; Peg Tofte, treasurer; Kenette Kenison, secretary; and Ruth Reiquam, general manager. The new sports managers are named.

Fourteen women earned M pin awards. Those having six participation credits were: JoAnn Pings, Great Falls; Audrey Linscheid, Helena; Gwen Flightner, Darby; Peg Tofte, Williston, N. D.; Jerry Holdard, and Pat Danielson and Joyce Morning, Billings; Ruth Reiquam, Choteau; Sue Kuehn, Helena; Ken-

ette Kenison, Dillon; Betty Barbee, Nicholasville, Ky.; Mary Ellen Woodward, Ekalaka; and Phyl Kind and Bev York, Missoula.

Norma Bell was given a special WAA award. She received a scroll pin for earning 20 p.c.'s.

WAA and PEMM club members presented a gift of china to Deanne Parmeter for her work as advisor.

## Research Machine To Be Assembled For Cancer Work

The Maintenance department will begin assembly next week of Dr. Loran's \$8-10,000 machine with which she will further her cancer research. It will be placed in a basement room in the chemistry-pharmacy building.

Built on a steel beam and supported by three vibration-absorbing concrete piers, the Klett Electrophoresis apparatus will be 19½ feet long.

Near the middle of the beam will set an enclosed tank about four feet in width. The tank is especially constructed to keep solutions circulating at a constant, almost freezing, temperature. Dr. Loran will study charged particles in solution with this tank, the "main" part of the apparatus.

A camera will be mounted at one end and a long tapered light-unit will be placed at the other end. With these units, she will be able to take highly accurate photographs of her specialized work.

The machine was donated to Dr. Loran by the Damon Runyon Cancer fund. A \$605 air-conditioning unit, not here yet, will be paid for by the Montana division of the American Cancer society and the \$1,100 installation costs are being taken care of by the University.

The Campus Editor Says—

BY ALLAN ROSE

The MSU student apathy that so many people, including this writer, are always moaning about, may be an advantage to MSU this spring.

All over the nation colleges are being plagued by student riots, ranging in subject from lingerie to ice cream. Some of the riots have resulted in arrests and considerable property damage.

Happily, the epidemic does not seem likely to spread to MSU. Here the students read of the riots, chuckle a little, and continue in their daily routine. They still drink their usual quota of beer, and cut the usual number of spring quarter classes, but so far there has been no organized disturbance to signify a mass attack of spring fever.

MSU seems to lack the "old college spirit," and from here it looks like a good thing. The "old college spirit" looks fine at an athletic event, but it is not quite so desirable when it manifests itself in the form of damage to property and headaches to police riot squads.

It is the constant recurrence of demonstrations like the ones in the past few weeks that causes many people to consider college students mentally immature. This is one of the basic reasons why college students are not completely accepted as part of the adult world. Too many students have a "boys

will be boys" attitude toward college pranks. Yet they expect to be treated as adults.

Young people must be mentally mature before they can be given the responsibilities and privileges of life in an adult society. This writer believes that the much-belabored MSU apathy may be a sign of this necessary mental maturity.

Perhaps we can be satisfied without the boisterous college spirit if we realize that lack of this spirit is sometimes pretty good public relations.

Hearing Vacated Until Later Date

Preliminary hearing for Robert Bennie, Emmet Cronnelly, John Stajcar, and George Vucurovic on the charge of first degree burglary has been vacated until a later date, according to County Attorney Wesley Castles.

The four were arraigned in justice court last Friday and released on bond of \$1,000 each last Saturday.

Foresters To Try For \$3,000 Refund From Dance Taxes

A Forestry club meeting Wednesday night heard a report on the spring hike program and passed a motion to start action on a tax refund designed to return \$3,000 in past Forester's ball taxes.

The action on the tax refund would be based on the fact that the profits from the ball go toward a loan fund and toward the publication of the Forestry Kaimin. A permanent exemption from taxes has already been granted on future dances.

Plans for the spring hike include a walk to Council Grove on the old Frenchtown road, and a barbecued beef dinner.

The Montana KAIMIN

Established 1898

The name Kaimin (pronounced Kimeen) is derived from the original Salish Indian, word and means "something written" or a "message."

Published every Tuesday, Wednesday, Thursday, and Friday of the college year by the Associated Students of Montana State University. Represented for national advertising by National Advertising Service, New York, Chicago, Boston, Los Angeles, San Francisco. # Games, KAT Dance Top Weekend

BY PAT SCHWARZ

Numerous picnics, Grizzly baseball games, and a dinner dance will take up the spare time of MSUites this week end. The Grizzlies will play a three-game series at Campbell field with Gonzaga university. The games will be today at 2 and 5 p.m., and tomorrow evening.

Kappa Alpha Theta will have as the theme of its dinner dance, "Moonlight and Roses." The Moon Moods will play for the affair which will begin at 7 tomorrow evening in the Governor's ballroom of the Florence Hotel.

## North Hall

Nancy Dahl, Butte, received a Sigma Nu serenade this week. She was wearing the pin of Ted Samson, Great Falls.

North hall had a pajama party for the Interscholastic contestants. Brooks, St. Ignatius, and Arla Wetzsteon, Arlee, did an

impersonation of Spike Jones, and Marlene McKinley, Kellogg, Ida., sang several songs.

Alpha Tau Omega serenaded Esther Gremaux, Lewistown, who is pinned to Gordon Curran, Billings.

## Sigma Nu

King Arthur's court was the theme of the Pigge dinner dance, the big social event of the year for SNS, Saturday evening at the Palace hotel. Over 90 couples attended with representatives from Zeta Nu at Bozeman and other outside guests present.

Guests of honor were President and Mrs. Carl McFarland, Dr. Maurine Clow, Dean and Mrs. H. J. Wunderlich, Mr. and Mrs. John J. Lucy, Mr. and Mrs. C. E. Dobson, and J. Earl Miller. Major and Mrs. E. J. Zuety, Major and Mrs. D. W. Painter, and Mr. and Mrs. W. H. Coldiron were chaperons. Music was by the Moon Moods.

## Delta Gamma

Diana Reynolds, Hamilton, received an ATO pin from Lou Penwell, Billings, Sunday.

Mrs. Gloria Shelton and Mrs.

Jean Svaboda were dinner guests Monday evening.

Marilyn Schuch, Anaconda, was serenaded Monday evening by the Phi Sigs. She is pinned to Jim Reid, Helena.

## Alpha Chi Omega

A visiting free-lance writer, Mrs. Alice Hankinson Maxwell, Seattle, was a dinner guest Sunday.

Mr. and Mrs. Carl East were guests recently. They were visiting their daughter, Joy.

## Kappa Alpha Theta

Mary Lee Powell, Seeley Lake, and JoAnn Russell, Helena, were honored at miscellaneous bridal showers at the house.

Dale Barde, Butte, entertained a small visitor Sunday, Buzzy Bee of Missoula.

## Delta Delta Delta

The Sigma Nus serenaded Caryl Wickes, Missoula, Monday evening. Caryl is wearing the pin of Louis Borchers, Great Falls.

Visitors at the house included Mrs. Carol Shute, Spokane, and Donna Larson's mother, Mrs. O. S. Larson, Savage.

The girls staying at the Tri-Delt house for Interscholastic were honored Saturday evening at a pajama party.

## Sigma Chi

New pledges are Nels Olson, Bellevue, Wash., and Joe Deluca, Weed, Cal.

Delta Gammas were exchange dinner guests.

Alice Pledge, Great Falls, and Pat Schwarz, Missoula, were din-

ner guests. Alice is pinned to Kim Nelson, Valier, and Pat was pinned by Dewey Sandvig, Denver, Colo.

Twenty-five SXs attended the annual Sigma Chi state convention in Great Falls recently. Bozeman will be the convention site next year.

## Phi Delta Theta

Jack Zygmund, Havre, is a new PDT pledge.

## Kappa Kappa Gamma

The ATOs serenaded Joyce Carstenson, Helena, Monday evening. She is engaged to Hank Watt, Redondo Beach, Cal.

Four Kappas from McGill university in Montreal, Can., stayed at the house Monday evening.

Phi Delta Thetas were exchange dinner guests Wednesday.

The juniors gave a farewell

party for the seniors at Montana Power park. The chapter also had a party honoring Mrs. Frank Keith, housemother, on her birthday Tuesday.

## New Hall

Electric guitar music, songs, and a baton twirling act were special entertainment at a pajama party during the Interscholastic Track-meet for the 46 guests of the hall. Lois Roper, Silver Star; Doris Sandsmark, Ronan, and Mary Louise Stroehrer, Billings, provided the acts.

## NC Players Installation Here Today

Eleven University drama veterans will become charter members of the first chapter of National Collegiate players in Montana today. Prof. Douglas Meeker of Washington State college, a national officer of the drama honorary, will install the chapter in a ceremony in Simpkins hall.

Charles Schmitt, Chicago, Ill., has been chosen to head the chapter. Other officers will be: Tom Sherlock, Great Falls, vice-president; Nancy Hays, Missoula, secretary; Dorothy Ross, Butte, treasurer; and Jack Shapira, New York, N. Y., historian. Robert Haight, Billings; Audrey Linscheid, Vida; and Joan Hardin, Larry Kadlec, and Maxine Taylor, Missoula, will become members. Eileen Plumb, Missoula, will receive an associate membership. David Weiss, technical director, and Leroy Hinze, director, are members of the Wisconsin chapter.

The Montana group will be the 63rd chapter in the universities and colleges throughout the country.

To be eligible for membership, a student must have worked as a leader in three of the following fields: playwriting, direction, acting, stage management, design, or as head of a department. Academic work in drama is also required.

## See Your College Counselor About Cecil's Dollar Savings Specials

Let Anne show you all-wool short-sleeved pullovers and long-sleeved cardigans—values up to \$8.95 for \$6.00. You also can get nationally advertised bras for only \$1.50, and rayon gowns and pajamas for \$3.00. There will also be other outstanding values too numerous to mention.

Anne Fowler, this week's counselor, is a sophomore majoring in English. Anne, who is from Lewistown, was a Spur and was AWS secretary. Her sorority is Delta Gamma. This year Anne was honored at Matrix Table as outstanding sophomore woman.

*Cecil's*

HAMMOND ARCADE BUILDING

# Grizzly Teams At Skyline Meet Today

## Golf

The Grizzly golf team should be a very strong contender, having lost only two matches this year to Utah and BYU. Captain Hubbard, Bob and Lee Williams, and Don Welch have all been shooting golf in the low seventies this year.

Probably their strongest opponent in the tourney will be Denver University. Since the Pioneers will be playing on their home course it will give them a decided advantage over the Grizzlies, but with a little of the kind of golf they are capable of playing, the Grizzlies could very easily sweep the matches and the championship.

In the first round of play, which is for individual honors, the link-

sters will play eighteen holes. On Saturday the top golfer from each team in the conference will tangle for the individual title in another eighteen holes.

Also on Saturday, the top two men from each team will battle for the Skyline team title. In all, 54 holes will be played. The scoring for both the individual and team honors will be on the Nassau system, with one point for the first nine holes, one point for the second nine, and one point for the 18 hole total.

The Grizzly golfers finished in third spot last year in the conference. Denver was first and Utah second.

A mahout is an elephant trainer.

## Track

BY BOB CHESNOVER

The big news for Montanans this weekend is the Skyline conference track meet today and tomorrow at Denver university's Hilltop stadium. Trials in the sprints, 440, and hurdles will be this afternoon. Joe Luckman, Leon Conner, and John Badgley will be vying in today's heats with all eight Skyline teams.

In a roundup of Montana's top talents, John Badgley has a good chance of winning the low hurdles and should show very well in the highs. Mike Fleming should make a repeat win in the 880 and has the potentialities of setting a new conference record. Fleming is undefeated this season.

Marv Reynolds has shaped up very well in the 880 and should be a top running man. Bill Rife has been the standout runner in the distance runs and should shatter the existing mile record of 4:21.1. Bob Ripke and Hal Maus will be about the two strongest in the discus throw at the conference meet. Leon Conner will be battling for the supremacy of the 440 with Bill Wolfersheim of Utah. Conner has beaten him once this season.

Rich Johnson and Bob Hudson will be strong competitors in the broad jump, but if Joe and Jack Luckman hit their strides they will be hard to beat. Bob Beach and Jack Luckman will have to be in top form to beat the top putters but they will be up there in the first four. Jack Rothwell will be Montana's top contender in the javelin throw, but Peterson of Utah State tops conference efforts so far.

The reason Joe Luckman didn't place last weekend in the division meet was the fact that he didn't run. Joe injured his back while broad jumping and was forced to the sidelines.

The team to beat is still the Utah university Redskins. The Utes look strongest in the hurdles, high jump, sprints, and the relay. Montana should be a strong second if Luckman is in running form. Last year the Grizzlies lost by 3.5 points to Utah.

The strongest team from the Eastern division is possibly the Colorado Rams. Micky Dunn, former Wyoming track great is with the Rams this year and is still strong in the 100, 220, low and high hurdles. Last year Dunn alone scored nearly half the Wyoming points in the Skyline meet. The Rams excell in the pole vault. Gordon Riddell got up to 13 feet 6 inches last weekend. Achziger of the Rams is strong in the shot put. He has tossed the weight beyond 50 feet by a fraction of an inch more than once this season.

## Tennis

The Grizzly tennis team, under Coach John Moody, includes Bob Nogler, Pete Densmore, Dick Fletcher and Stuart Gallagher.

They will be trying to better the mark they made last year, as they finished fourth in the Skyline championships. Last year Denver University, with their ace Benham leading the way, walked away with the championship. Utah, with singles champion Jerry Glade, took second. BYU came in third.

This year prospects look pretty slim for the netmen. The only conference team which they beat was Utah State, winning both at home and away. In competition against such topflight teams as Denver and

Utah University, the Grizzlies will have to show something exceptional in order to finish above six or seventh. Denver has won over thirty consecutive tennis matches.

In the championship match only four men compete as compared to the regular team of sixteen men.

Belgium and the Netherlands were separated by treaties signed in 1839.

# Grizzlies Meet Gonzaga in Three-Game Series

The Grizzly baseball team returns home this weekend for a three-game series against Gonzaga University on Campbell Field. The clubs square off in a double-header today and a final contest will be played tomorrow afternoon. Tonight's contest will begin at 8:15. Both afternoon contests are scheduled for 1:30.

Each Eddie Chinske's Grizzlies go into the series with a 9-7 record. Two of these wins are at the expense of Gonzaga weeks ago. The Grizzlies defeated the Bulldogs at Spokane 6-0 and 5-0 scores. They lost the series wind-up 6-2.

Chinske indicated that he will

pitch Marshall, Hansen and Johnston against the unseasoned Gonzaga squad. Marshall, he said, will go against Gonzaga's veteran ace, a Montana native, Art Previs.

Hansen and Johnston both hold victories over the Bulldogs with Johnston's triumph perhaps the most spectacular.

Gonzaga has a host of front line hurlers that may see action against the Grizzlies today and tomorrow. Other than Previs, the club boasts Luke Mulcahy, who holds a 4-hit victory over Washington state, sidearm Frank Gentile, and Kook Goodwin.

## Tennis Players On Second Round

The first round of the intramural tennis tournament has been completed. The results are as follows: the Theta Chis beat the SPEs, the Phi Sigs beat South hall, the Sigma Nus beat the SAEs, and the Sigma Chis beat the Phi Sigs.

The teams matched in the second round of the tourney are: the Theta Chis vs. the Phi Deltas, the Sigma Nus vs. the Sigma Chis, the SPEs vs. South hall, and the SAEs vs. the Phi Sigs.

The second round matches must be played by 4 p.m. Monday, May 26, George Cross, intramural director, said. He said that rain would be the only excuse for not having the matches played by that time.

## Ticks Down Skiers 20-8 In Final Game

The Foresters beat the Ski club, 20-8, in their final intramural softball game of the season last night to move them into a three-way tie with the Phi Deltas and Sigma Nus for the leadership of League A.

They will play off the tie Monday for the right for two teams to go into the round-robin tournament with the two top teams from League B.

The SAEs defeated Corbin hall, 17-7, in a League B game last night to tie the Sigma Chis for the top spot in that league and assure themselves of a berth in the tournament. Jumbo hall downed the SPEs, 14-3, to finish in third place in league B with four wins and two losses.

Jim Brown pitched for the winning Foresters, while Bob Fischer pitched for the losers. Al Manuel went all the way on the mound for the SAEs, while Dick Trinas-tich pitched for Corbin. Jumbo hall's Dale Sterner pitched effective ball, while the SPE's Cliff Wordal was only good in spots.

The round-robin tournament will begin Tuesday afternoon, with one game at 4:15 and another at 6:15.

Carrier pigeons, during World War I, were known as Cher Ami.

## Intramural Trackmeet Scheduled for Tomorrow

The Phi Delta Theta track team will be trying for their fifth intramural track championship when the annual meet gets underway at 1 tomorrow afternoon on Dornblaser field.

Five other teams, the Sigma Nus, Sigma Chis, SPEs, SAEs, and Theta Chis, will be trying hard to stop the Phi Delt winning string at four.

Last year, the Phi Deltas garnered 46½ points to beat out the SAEs, who had 32½ points. The Sigma Chis had 23, Theta Chis 15, and the Sigma Nus 13.

The Phi Deltas have a number of winners from last year's squad, and look like heavy favorites again. They may lose some points without Bob Byrne, who will be playing baseball with the Grizzlies, however. Last year, Byrne took first in the 100-yard dash and the low hurdles, and tied for second in the high jump.

They will still have Bob Yurko, Scott Cunningham, Ray Bukovatz, and S. Johnson. Yurko took first

in the 220-yard dash and second in the 100-yard dash last year. Cunningham placed second in the shot put and discus behind Bob Beach of the Sigma Chis, who is with the Grizzly track team in Denver today. Bukovatz was first in the high hurdles and second in the lows last year. Johnson placed third in the discus last year.

Last year's winners for the other teams are not competing this year. Some have graduated, and some are participating in Grizzly athletics.

Out of the 15 records established on Dornblaser field, only four are held by Grizzly athletes. They are Jack Emigh, Arnold Gillette, and Dick Doyle.

## Greetings

From Us and Our Three Car Salesmen  
"Bill" Hughes Don Peterson Roy Adderholt

To All the Faculty and All the Students  
of Our University at this Commencement Season.

## Here Is a Thought

for you folks who will soon be donning Cap and Gown. Wouldn't it be well to suggest to your parents or to your rich Uncle that a most wonderful graduation present would be a NEW PLYMOUTH or a NEW DeSOTO or a good USED CAR?

## Do You Know

that, according to our best information, the PLYMOUTH Concord 2-door sedan is one of the lowest-priced, normal size 5-passenger cars on the American market? Only \$2,025.73 for this PLYMOUTH 2-door, delivered in Missoula, including federal taxes, arm rests, bumper guards—front and rear, and sun visors. This price does not include heater.

## Speaking of Used Cars

we confidently believe that our selection of USED CARS is the best in Missoula—not the largest, but it includes the makes of cars that are the most popular, and ours are in very dependable condition. And, during the fourteen years we have been in Missoula, we have established a reputation for being "a safe place to buy your Used Car."

## We Appreciate

the loyalty and friendship, which we enjoy, of scores of faculty folks and University students who are customers of our in the several departments of our business.

## We Extend Congratulations

to President McFarland and his "cabinet members" on the noticeable and consistent progress which our University is making in the way of Public Relations, New Buildings, and activity in general. We value very highly our association with our University. We support with our presence most of the musical and dramatic productions, and we rarely, if ever, miss a football game, basketball game, track meet, or baseball game.

# Why 2 gallons of the gasoline you buy today equal 3 gallons you bought in 1926

**1. We all know** that today's petroleum products are vastly superior to those of 26 years ago. But very few of us realize that two gallons of today's gasoline will actually do as much work as three gallons did 26 years ago. The tremendous improvement of petroleum products is largely due to one thing: the research being carried on by U. S. oil companies.

**2. In February** Union Oil opened the doors of its new \$8 million Research Center near Los Angeles. Here a staff of 300 will work on product improvement as well as petrochemical research—the development of the base chemicals for such products as synthetic rubber, detergents and plastics.

**3. Over the last 61 years** the money we have spent per year on research has risen steadily from \$3 thousand to over \$3 million. Why? Not because we like to spend money or because someone told us we must. But to keep ahead of our competitors—all of whom are working on new and improved products too.

**4. These 30,000 U. S. oil companies**—big and little—are all competing with each other. Consequently, the incentive to develop new and improved products or techniques is constantly with all of us. This incentive is the driving force behind our whole free, competitive American system.

**5. For it encourages** the introduction of new and better products to a greater degree than could ever exist under a governmental monopoly.\* As a result, the American people have the highest standard of living the human race has ever known.

\*As long, that is, as the government doesn't tax industry to the point where there's no incentive left for research and development.

## UNION OIL COMPANY OF CALIFORNIA

INCORPORATED IN CALIFORNIA, OCTOBER 17, 1890

*This series, sponsored by the people of Union Oil Company, is dedicated to a discussion of how and why American business functions. We hope you'll feel free to send in any suggestions or criticisms you have to offer. Write: The President, Union Oil Company, Union Oil Building, Los Angeles 17, California.*
